UNITECH STEEL ENGINEERING

Quality we deliver. Durability we assure.

Founded in the year 2006,

We have established a consolidated position in the market as a credible manufacturer and supplier of Steel Furniture, Equipment, utilities, etc. with brand name of **Unitech Steel Engineering**. The range we offer includes Steel Furniture of Hospital, Home, School, Pharmaceuticals, Caterers Steel Furniture and many more. Manufactured by utilizing 100% premium quality raw material, our product range is known for its durability and fine finish. Our products are also appreciated for their contemporary yet elegant designs, long life, strength and resistance to corrosion. Such features have made these products widely demanded in hospitals and offices for interior decoration purposes. Clients can avail our products in customized finishes and at nominal prices. In fact we are known in market for customized products which fulfills all the requirements of our clients and delights them with desired results through our products.

We are empowered by a team of talented and zealous professionals whose average association with us is more than 6 years, the same ensures utmost perfection while carrying out all the business activities. Furthermore, we are supported with an ultramodern world class infrastructure facility, which helps us in manufacturing world-class products at par with the set industry standards. Leveraging on such factors, we have been able to carve a niche in the industry. A capacious warehousing unit facilitates bulk storage of the products for a long period of time. A strong and widespread distribution network enables us to reach clients located at far flung areas, ensuring timely delivery of orders. Owing to our customer oriented approach and focus on quality, we have been able to attain a firm foothold in the industry. We are proud to say that we are the pioneers of hospital steel furniture in western Maharashtra and 5000+ clients out of which most are repeated buyers of our products.

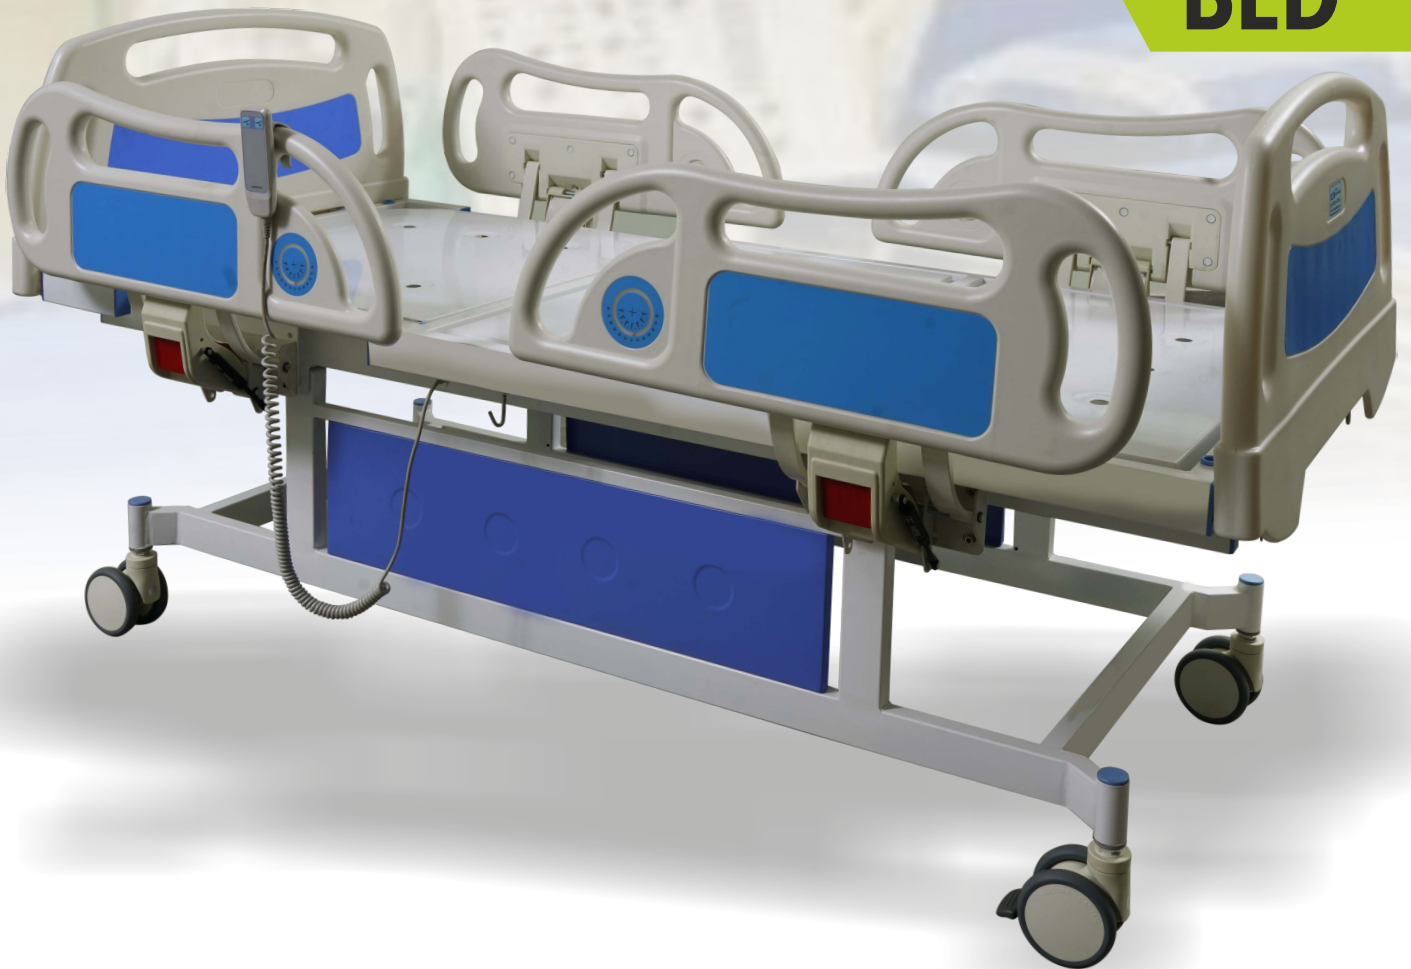

Our organization is successfully headed by Partners Mr. Shrishail Karole, Mr. Amit Patil & Mr. Sandeep Malavade, under whose guidance we have attained immense success. Partner's sharp business acumen and wise management's skills have enabled us to mark a remarkable position in the industry.
